

PRESENTER RELEASE FORM

2016 Frontiers in Biorefining: Chemicals and Products from Renewable Carbon

By signing this release, you agree to the following:

1. I authorize the Frontiers in Biorefining Committee and its agents to reproduce and distribute my submitted Conference presentation materials (slides, abstract and other written materials) and/or make them available online, in part or in whole, as part of the Conference proceedings for educational purposes and any other reasonable use. This includes, but is not limited to: posting to the frontiersinbiorefining.org website, and distributing electronic copies to individuals who request them.
2. I authorize the Frontiers in Biorefining Committee and its agents to reference my name and affiliations, and to use my photograph, likeness and biographical data in event documentation and archival in print and online.
